Prathibha Sithumini
IT Undergraduate

I am SLIIT third year undergraduate student undergoing BSc. IT Specialization. My strengths include being organized, self-motivated, and friendly with a desire to achieve excellence while balancing responsibilities. I am seeking a position as an intern as UI / UX design engineer, QA engineer, Project manager, or junior software engineer to contribute to the organization's objectives. I am a team player with full bucket of leadership skills and best with contribute as a team member I am determined to succeed. I am confident I can bring my enthusiasm and expertise to the team. I am eager to learn and grow professionally and I am committed to working hard to reach my goals.
